

School Health Advisory Minutes 2-12-15

I. Minutes from December 11, 2014 (emailed)

II. Changes in Spinal Screening Rules

Effective September 2015, Spinal Screening will be conducted on 6th and 9th graders, no longer on 5th and 8th graders.

III. Items for Information/Health Concerns

- a. In December, we purchased “7” new Phillips Automated External Defibrillators. The “required” staff received training on our new AEDs.
- b. The flu virus hit Whiteface CISD in December. We had a significant increase in flu diagnosis at Whiteface CISD compared to previous years.
- c. Whiteface CISD staff will have the opportunity to participate in the Spring wellness program. Our wellness programs are made available through Edwards Risk Management.
- c. We will have our spring student immunization clinic on April 17th. The immunization clinic is provided by Calvert Home Health Care.
- d. Staff from Covenant Dental will be coming out on May 11th and doing a dental presentation for 3rd grade students. With parental consent, they will be offering all 3rd graders a dental exam and sealants, if needed and free of charge. This service is being offered to all 3rd graders in the region.
- e.

IV. Next Meeting-
