

School Health Advisory Minutes 12-7-10

- I. **Members Present:** Nancy Brewer, Angela Hancock, Cindie Walker and Susan Luna
 Advisors to Committee present: Nancy Demel
 Guests Present: Jamie Moore and Sheila Rhodes
- II. **Minutes-** Reviewed minutes from September 30, 2010 meeting
- III. Jamie Moore, Women’s Health Nurse Practitioner from the Department of State Health Services presented an overview of the educational classes available through the health department. All programs are provided free of charge. The school health committee would like to see the “Choices for Teens” program done for grades 7 through 12. This program focuses on day to day choices and their consequences, risky behaviors such as alcohol, sexting, car surfing, the chocking game, date rape drugs, STD’s, teen pregnancy, AIDS, intimacy and the law, and relationship realities.
 ***See attached handout.**
- IV. **Adjourned without a motion.**
